

Detachable Power Supply Cord 1:4, 2 ft NV-DPSC4

The NVT Model NV-DPSC4 is a power adaptor cable with one IEC380-C14 male inline connector and four IEC380-C13 female appliance couplers.

This power cable assembly is particularly useful in limited plugstrip rackmount environments where multiple pieces of equipment require AC power.

It is intended to be used with a standard appliance cable, one end with IEC380-C13 appliance coupler and the other end with NEMA 1015P or equivalent for your country.

Product weight: 0.68 lbs (.31 Kg)
